From the Desk of Principal

Greetings from K.R.B. Girls' College, the second women college in Guwahati, imparting quality education since 1971. Located in one of the interior places of Guwahati, this college caters to the need of girl students coming from poor families who are mostly daily wage earners. The students here are mostly first-generation learners. During the last 53 years of existence, it has grown as an institution with a long tradition of commitment towards social responsibility.

The college offers BA course in 10 subjects. Since 2024, the AICTE approved BBA course has been introduced. The HS level has both Arts and Commerce streams. A dedicated team of teachers, are engaged not only in providing quality education, but also make counselling and mentoring of students their duty which goes beyond classroom courses. Students are encouraged to acquire leadership roles (helped by NCC and NSS) in addition to exposure and interaction with leading experts, academicians and practitioners.

The college has achieved a B++ rank in the third cycle of NAAC, which is a great achievement for a single stream college. Maintenance of discipline, punctuality and regularity are top priorities of this institution. The Internal Quality Assurance Cell (IQAC) of the College takes care of improving quality and suggests measures for overall development of the College.

The education system in India is undergoing tremendous change. Implementation of the NEP brings with it many challenges for small single stream institutions. As per the requirements of NEP, skill-based education in the college is offered. Certificate Courses in Computer Application is offered to interested students. Another initiative taken in our institution is providing Skill Trainings through National Skill Development Cooperation & Assam State Urban Livelihoods Mission Society (the PMKVY Programme). This type of training increases the employability levels of the students. Trainings in mushroom cultivation, Bihu Workshop, Abhinay Workshop, Jewellery making workshop etc are some of the skill development initiatives undertaken by the college to increase employability of the students. Life skill programme under the Jeevan Siksha Scheme has been taken up to motivate students to inculcate life coping skills in addition to regular courses.

Higher education in India is still a distant dream for many students, especially girls living in this locality. Despite efforts by the government, many girls are still not touched by formal education. The Agramini scheme is a noble endeavour on the part of K.R.B Girls' College family to lend a helping hand for the downtrodden, under privileged girls to pursue their dreams and become financially independent. Initiated with the contribution of the college fraternity, it is our belief that together we can make a positive change.

With our continuous efforts and dedication, we will continue to take our girls forward, giving them the best of education and make them responsible independent citizens. We invite all the bright minds to explore the scope that our College can offer. It is our pledge to work hand in hand with you too to help you to reach your goal, which is our ultimate objective. We can assure that after passing out, our students will fondly remember the College and call themselves a proud alumnus of this institution.

K.R.B. Girls' College

PROFILE OF THE COLLEGE

INTRODUCTION

K.R.B. Girls' College is the second women's college in Guwahati imparting higher education to women. The college was named after late Kamakhya Ram Barooah who was an advocate, social worker, philanthropist, and pioneer of women's education in Assam.. The foundation stone of K.R.B. Girls' College was laid by the then Chief Minister of Assam, Late Mahendra Mohan Choudhury on the 14th of April, 1971 at Mora Bharalu (M.B.) Road in the Fatasil Bazar area of Guwahati. While the plot of land for the construction of the College was granted by the Government of Assam, the funds for the construction of its first building and the development of the College was a donation from Late Prabir Ram Barooah in the name of his father Late Kamakhya Ram Barooah.

The inception of K.R.B. Girls' College can be traced back to the year 1966. The initiative for the College was undertaken by the then MP from Assam, Late Debendra Nath Sarma. The College formally started in 1968 with Late Kanak Lal Das as the founder Principal. The College was initially known as Gauhati Girls' College and higher education was temporarily provided in the premises of the Fatasil Town High School and Kaliram Barooah Girls' High School, Fatasil. The Principal of the College was then Late Mohan Chandra Kalita. In 1970, Late Md. Zahid Choudhury took over as the Principal of the College. Under his Principalship the College came under deficit grant-in-aid system on the 1st of February 1985.

K.R.B. Girls' College is the fruit of the hard labour, missionary zeal, relentless effort and far-sightedness of people like Late Mahendra Mohan Choudhury, former Chief Minister of Assam Late Debendra Nath Sarma, leading citizens, a host of dedicated teachers and administrators who have worked continuously to uplift the College to the present position of imparting quality education to women from all sections of the society.

In addition to the prescribed courses of study, the college encourages and motivates the students to participate in various co-curricular activities such as games and sports, fine-arts, literary and cultural activities, debating, symposium etc.

NSS

NSS unit of K.R.B. Girls' College was formed in the year 1994 under Gauhati University which is institutionalized under The Ministry of Youth Affairs and Sports, Govt. of India. Every year volunteers are enrolled to maintain the strength at 100.

The aforesaid NSS unit provides a platform to the students for community work and to develop a sense of involvement in the tasks of nation building.

Every year, a variety of activities are organized by the NSS unit. Awareness programme on health and hygiene, sanitation, digital banking awareness, awareness on AIDS, cancer awareness programmes etc. are some such activities. Various health camps, and cleanliness drive like Swachhata Pakhwara, Swachhata Hi Seva, Swachh Bharat, Summer Internship camp across campus, nearby slum areas and in adopted village are carried out regularly to create awareness and motivate people to work towards a clean environment.

NCC

The NCC is a premier youth organization, and has been contributing effectively to the all-round personality development of youth. The NCC Unit of K.R.B. Girls' College, was established on 19th January 1993, at the initiative of the commanding officer, Lt. Col R.P. Sharma of 60' Assam Girls, B.N.N.C.C. Under the aegis of NCC, students are given basic training in various fields; the primary objective being self-defense. Through its multi-dimensional and value-oriented activities in various fields, NCC not only infuse defense consciousness, but also aims at moulding the character of youth and in grooming them to achieve all round personality development. NCC helps in developing character, comradeship, discipline, a secular outlook and ideals of selfless service amongst the young citizens. Apart from training and preparation of the youth for the future challenges, NCC cadets are given various benefits in job opportunities, scholarships and financial assistance. These incentives are announced from time to time both by the central and the state governments. The best incentive being the employment for the 'C' certificate holder cadets. Preferences are also given to the N.C.C. cadets in recruitment, especially in the jobs like nurses, receptionist and telephone operators, in both state and central government organizations.

COLLEGE COMMITTEES AND CELLS

The Principal entrusts the teaching faculties with various responsibilities and duties of managing the work under the following cells and committees.

INTERNAL QUALITY ASSURANCE CELL

The Internal Quality Assurance Cell (IQAC) of the college works towards enhancing the overall quality of the college through continuous improvement and development of the academic and administrative environment. It also maintains records of all events and activities conducted by the college.

INTERNAL COMMITTEE

An Internal Committee is constituted in K.R.B. Girls' College to address and resolve complaints of sexual harassment in the College. It is also responsible for receiving and inquiring about complaints of sexual harassment made by employees of the College. It is a Committee constituted for the redressal of complaints by the aggrieved person and recommendations of the complaints forwards to the Principal.

ANTI-RAGGING CELL

The college has an Anti-Ragging Cell as per the UGC regulation to curb the menace of ragging. Ragging is a crime and is strictly prohibited in the college. Anyone found indulging in any act of ragging will be dealt with as per rule. There are provisions in the IPC which can be used by the student to register a FIR in the nearest police station.

STUDENTS GRIEVANCES REDRESSAL CELL

Protection of human rights is essential for all round development of an individual. To reduce the primary needs of the students, a Grievances Redressal Cell is formed. The main aim of this cell is to create a healthy and safe atmosphere for its students. There is a link between the cell, students, and teachers and with the administration. This cell looks after the complaints lodged by any student and redress it as per requirements. The students can give their complains / grievances regarding any academic and non-academic matter within campus either online (Google form) or in the complaint box present in the administrative building.

DISCIPLINARY COMMITTEE

The Disciplinary Committee ensures compliance of the Code of Discipline and Conduct for students and recommends suitable action in case of its violation. In case of matters concerning students within the campus, the Disciplinary Committee is empowered to take decisions.

COMMITTEE FOR PREVENTION OF SEXUAL HARRASSMENT AT WORKPLACE

A committee has been formed in the college for the prevention of sexual harassment in the college campus. Anyone found guilty of indulging in such activities will be liable for punishment as per the provision of law.

CAREER COUNSELLING AND GUIDANCE CELL

The college has a Career Counseling and Guidance Cell which creates awareness about the necessity of entrepreneurship development among the students. This Cell provides information about the scope for self-employment, acts as facilitator for the students who are interested in such activities, identifies the hidden skills of the students and provides proper counselling for choosing their career.

DIGITAL LEARNING CELL

The Digital Learning Cell of the College strives to keep the faculty and the students updated on the latest technological innovations. This cell has become very important owing to the growing demands of the use of ICT in the teaching-learning process.

LIFE SKILL DEVELOPMENT CELL (JEEVAN SIKSHA)

The Department of History has initiated a non-academic programme on life education for the students of the college. The objective of the programme is to make the students fit and responsible towards the society.

Under the umbrella of JEEVAN SIKSHA, students are motivated to develop work culture, to acquire firsthand experience on organic farming (production & distribution) and thus, to be self-reliant through these various activities.

WOMEN'S STUDIES RESEARCH CELL

K.R.B. Girls' College has a Women's Studies Research Cell which works with an aim to create a gender sensitized community within the campus as well as in the society. It has the aim to organize varied academic, technical, medical, cultural and social events for the upliftment of women and to spread the real significance of gender equality in the society through college students. The cell also aims to provide equal career opportunities to all the genders.

RESEARCH AND DEVELOPMENT CELL

Research and Development Cell serves as a nodal centre for the introduction and the conceptualization of research programmes through the conduct of workshops, training programmes, conferences and seminars. Research and Development Cell encourages students and faculty to undertake research problems in newly emerging fields.

The Research Cell is also responsible for informing students about inter-College research opportunities and encourages students to publish original work in leading journals and presenting papers in conferences. The cell also organizes Academic writing workshops in order to hone the writing and analytical skills of students.

EXTENSION EDUCATION CELL

K.R.B Girls' College has an Extension Education Cell for the welfare of the neighborhood and the adopted village. Various activities have been undertaken for the upliftment of the neighborhood especially the youth and women. The cell has plans to coordinate with government and non-government agencies for taking up different activities in future like women empowerment, health and nutritional awareness, maintaining hygiene and sanitation, child care and skill development which will help in maintaining adult literacy.

ADOPTED VILLAGE COMMITTEE

The College has adopted a village named Jongrabari in Pub Dharapur i.e., under West Guwahati constituency. The College undertakes a number of activities and programmes to build awareness among the inhabitants and also to spread knowledge and information on various issues prevalent in the society.

ALUMNI ASSOCIATION
